Composer Help

ORS Debugger Preferences

12/12/2025

ORS Debugger Preferences

Select **Window** > **Preferences** > **Composer** > **Debugging** > **ORS Debugger**. ORS Debugger preferences are usually set during **post-Installation configuration**, when you first run Composer. A Debugger Cheat Sheet (**Help** > **Cheat Sheets** > **Composer** > **Routing Applications**) also provides detailed configuration instructions.
