Sunburst Path Analysis

Sunburst Path Analysis

The **Sunburst Path Analysis** dashboard shows a visual representation of the menu and milestone paths for your application sessions.

Reports on this dashboard

Count Over Time

(See [Count Over Time](#).)

Filter

(See [Filter](#).)

Sunburst Path Analysis

By default, this report displays the first seven nodes of a menu or milestones path, but you can change this in the configuration settings for the panel. The center of circle shows the total count, and you can double-click any of the partitions to drill down for more information.
