SIP Feature Server User's Guide

Setting up your voicemail

12/14/2025

Setting up your voicemail

Warning

This User's Guide applies ONLY to the Legacy SIP Feature Server 8.1.200.xx release. Unless you have been told to use this documentation, use the current [8.1.2 User's Guide](#).

Before you can access your voicemail, you must set up your user profile. Your mailbox comes with a generic standard greeting. If you want to use a personal greeting or an extended absence greeting, you must record it.
