Genesys Administrator Extension Deployment Guide

Prerequisites for Genesys Administrator Extension Modules

4/15/2025

Prerequisites for Genesys Administrator Extension Modules

This section describes prerequisites to be met before installing or using the functional modules of Genesys Administrator Extension. These are in addition to the basic prerequisites listed [here](#), and are specific to the corresponding module.

Note: Unless specified otherwise, all commands that are entered on a command line in this section should be issued as a root user (command prompt of #) or as a regular user (command prompt of \$).
