Re-Creating the Default Role

To re-create the default role, perform the following actions:

1. In the Roles menu, click the Recreate Default Role button. A new panel opens to the right.
2. In the new panel, enter information in the following fields:
 - Default Role—Locate the default role by clicking the Browse button. Select a default role from the list.
 - Tenant and Folder—Select the tenant and folder that will receive the default role by clicking the Browse button. Select a tenant from the list.
3. Click the Save button.
