Parameter Group Template Properties

Properties of Parameter Group Templates

Property	Description
Name	The name of the Parameter Group Template. It must be unique in the system.
Description	Optional text describing the Parameter Group Template or providing additional information.
Parameters	A list of Operational Parameters that have been added to the Parameter Group Template. The Section(s) to which this Parameter Group Template belongs is also displayed here. Important Sections can be deleted. Deleting a section only deletes the section grouping, and does not delete the set of parameters previously within that section.
Used	(Read-only) Used to deploy a parameter group.
