How do I view my customer's browser history?

12/15/2025

How do I view my customer's browser history?

The following articles show you how to view your current customer's browser history:

- How do I view the first and the current web pages my customer has been browsing?
- How do I view a list of the web pages my customer has been browsing?
- How do I use categories to filter the web page list?
