Web Services and Applications Migration Guide

Welcome to the *Web Services and Applications Migration Guide*. This document provides information about migrating Web Service and Applications, which includes Web Services API, Workspace Web Edition, and Gplus Adapters. See a summary of chapters below.

Preparing

Use this section to learn more about what you need to do before you start a migration.

[Preparing for a migration](#)

Migrating

Use these sections to learn more about how to migrate your Web Services and Applications deployment.

[Upgrading Web Services and Applications](#)

[Migrating Gplus Adapter for Salesforce to WWE Mode](#)

Post migration

Use this section to learn more about post-migration activities.

[New and updated configuration options](#)

[Rolling back a migration](#)
