# Workspace Desktop Edition Deployment Guide

Section interaction-queue-presence

5/12/2025

## Section interaction-queue-presence

### Tip

For the most up to date Workspace Desktop Edition configuration options, see the [Genesys Configuration Option Database](#).

The interaction queue presence options enable agents to view interaction queue statistics information in Team Communicator. Refer to the [Enabling Team Communicator Calling Features](#) and [Enabling the E-Mail Channel](#) for information about how to use these options.
