iWD Deployment Guide

IWD Services

5/10/2025

IWD Services

Contents

- [1 IWD Services](#)

Important

Services are configured per solution, and each solution must be configured under a tenant in GAX. Therefore, before configuring services, you must configure a Tenant and Solution.

Most iWD Services are now configured in the GAX environment using the iWD Plug-in for GAX. Please refer to these documents for details of configuring iWD services.
