## Performance DNA Administrator Guide

**Create New Roles** 

5/9/2025

## Create New Roles

To create a new Role, right-click an existing role and select **New Role**. There is also the option to **Rename** the role or **Remove the Role**.

Once the new Role has been created, users and widgets can then be associated and a template containing the pages can be created.

Note: Trainers must be assigned to the trainer role so that they are listed in the assessment trainer selection screen.

t of roles Widget User Count Count	
Filte	r
Administrator	46 1
Manager	New Role
Trainer	🤌 Rename
User	× Remove Role
