Rule Logic

12/14/2025

Rule Logic

The screenshot shows a web interface for configuring a rule. At the top, there is a text input field labeled "Name" containing the text "New Rule 2". Below this, the "Rule logic" section contains two rows of logic clauses. The first row consists of a blue "+" button, a red "X" button, a light blue "-" button, a light blue "(" button, a blue "+" button, a dropdown menu showing "First Name", a dropdown menu showing "Equal to", a text input field containing "John", a light blue "-" button, a light blue ")" button, and a blue "+" button. The second row consists of a blue "+" button, a red "X" button, a dropdown menu showing "AND", a light blue "-" button, a light blue "(" button, a blue "+" button, a dropdown menu showing "Last Name", a dropdown menu showing "Equal to", a text input field containing "Smith", a light blue "-" button, a light blue ")" button, and a blue "+" button. Below these two rows is a thick blue bar with a white "+" button in the center.

Each rule must be given a unique name for clarity.

A rule is constructed by stringing together a series of logical clauses, each of which applies to a single User Field. Clauses can be added, removed and grouped using brackets.
