Performance DNA Agent User Guide

Viewing Feedback Results

Viewing Feedback Results

Users can be selected at a hierarchy level or individually within the hierarchy structure.

Using the date range will filter the feedback assessments that the individual has completed in the bottom left hand window. Select the specific assessment and click **Rebuild report**.

The information presented will display the user feedback together with the manager feedback depending on whether the assessment has been created as user and manager and if the manager has completed their feedback assessment.

FEEDBACK RESULT	'S REPORT
