Genesys SMS Aggregation Service SMPP API User Guide

Genesys SMS Aggregation Service SMPP API User's Guide

5/4/2025

Genesys SMS Aggregation Service SMPP API User's Guide

This document details the SMPP API connectivity to the Genesys messaging platform. Genesys supports a subset of the SMPP 3.4 API. For more information regarding the specification, see Short Message Peer-to-Peer.

This Guide contains the following information:

- Connection Parameters
- General Notes
- Delivery Receipts
- Tag-Length-Value (TLV) Parameters
