Select Activities

Important

This content may not be the latest Genesys Engage cloud content. To find the latest content, go to [Workforce Management in Genesys Engage cloud](#).

The **Select Activities** screen appears if, on the **Rescheduling Options screen**, you select one of the following options:

- **Reschedule activities/activity sets/task sequences only**
- **Reschedule breaks, meals, activities/activity sets/task sequences, without affecting shift start/end times**
- **Reschedule breaks, meals, activities/activity sets/task sequences, shift start and/or end times may change**

To complete this screen:

1. Expand the object tree as needed.
2. Select one or more activities or multi-site activities.
3. Select **Retain scheduled activities** to have the build add any previously selected activities while keeping the activities that are currently in the Schedule.
4. Click **Finish**, or **Cancel** to discard your selections and close the wizard.
