GENESYS™

Genesys Engage cloud Workforce Management 8.5.1 Guide

SBW: Provide Target Date

5/9/2025

SBW: Provide Target Date

> **Important**
> This content may not be the latest Genesys Engage cloud content. To find the latest content, go to Workforce Management in Genesys Engage cloud.

Use the **Provide Target Date** screen in the **Staffing Build Wizard** (SBW) to specify the target date range.

1. Select a **Start Date** and an **End Date** using the spinner or the calendar.
2. Click **Next** to continue.
