# Welcome to the Platform SDK API Reference

## Accessing the Latest Documentation

The API Reference document for Platform SDK is included with your installation, and can also be found on the Developer Documentation CD and available for download from this page.

Please note that the API Reference document included with your installation may not be the most up-to-date version, and that to access the latest additions, corrections, and clarification you should replace those files with the documentation available for download here.

## Direct Downloads

Find your release number in the table below and download the file to access the most recent API Reference documentation.

### Important

Please compare the size of your downloaded file against the value listed in the table below to ensure that your download completed correctly.

**Release-specific API Reference**

Release	Direct Download	Last Updated	File Size
Platform SDK for .NET 8.0.x	<a href="#">Platform SDK 8.0 for .NET API Reference</a>	October 7, 2010	31.8 MB
Platform SDK for Java 8.0.x	<a href="#">Platform SDK 8.0 for Java API Reference</a>	October 7, 2010	31.5 MB

### Tip

Having problems opening your .NET API Reference? If you see a "Navigation to the webpage was canceled" message when you open a CHM file, follow these steps:

1. Close the CHM file if you currently have it open.
2. Locate the downloaded file on your machine.

3. Right-click on the file, and select Properties.
4. Click the Unblock button.
5. Click OK to save this change.

When you open the CHM file after making this change, the reference material should appear correctly.
