TMonitorNextCallType

12/17/2025

TMonitorNextCallType

Syntax

```
typedef enum {
        MonitorOneCall,
        MonitorAllCalls
} TMonitorNextCallType;
```

Values

- `MonitorOneCall` — Supervisor will monitor one call to the agent.

- `MonitorAllCalls` — Supervisor will monitor all subsequent calls to the agent until monitoring is canceled.
