### Important

You must increase the allowable maximum number of open file descriptors for the Elasticsearch nodes if the existing number of open file descriptors is not sufficient. For more information, refer to [Complete the following steps for each Elasticsearch node](#) or [Complete the following steps for each Interaction Recording Web Services node that you want to host Elasticsearch](#), whichever applies in your environment.

## Resolved Issues

This release contains no resolved issues.

## Upgrade Notes

No special procedure is required to upgrade to release 8.5.203.14.
