Known Issues and Recommendations

Voice Platform CTI Connector

The Known Issues and Recommendations section is a cumulative list for all 9.0.x releases of Voice Platform CTI Connector. This section provides the latest information on known issues and recommendations associated with this product. It includes information on when individual items were found and, if applicable, corrected. The Resolved Issues section for each release describes the corrections and may list additional issues that were corrected without first being documented as Known Issues.

See also [Internationalization Issues](#).

There are no known issues or recommendations for this product.

Internationalization Issues

Information in this section is included for international customers. Release numbers in the **Found In** and **Fixed In** fields refer to the English (US) release of Voice Platform CTI Connector unless otherwise noted in the issue description.

There are no internationalization issues for this product.
