# Stat Server User's Guide

Purpose

12/19/2025

## Purpose

You use *custom formulas* to compute user-specific quantities (usually business-related) based on attached data communicated by TEvents.

In a *custom-value statistic*, the values obtained by evaluating custom formulas on individual actions are aggregated much as action durations in time-related values are aggregated.

Before using custom-value statistics, Genesys strongly recommends that you read the following description of the evaluation procedure.
