# Managing single-site trades proposals

Use the **Trading** views (**Proposals** and **My Trades**) to review proposals and responses by performing the tasks described in this topic. Use the **Schedule** views to **create trade proposals**.

## Reviewing other agents' proposals

Use the **Proposals** view to:

- Review trade proposals that another agent has sent specifically to you.
- Review trade proposals that other agents have sent to the community.
- Accept or decline proposals.

### Tip

Depending on WFM Web's setup at your site, community proposals can be offered to all agents on your team or to all agents on all teams.

To find out how to navigate the **Proposals** view and see descriptions of its controls and columns, see [Viewing proposals](#).

## About the Proposals table

The table shows all proposals whose first day falls within the selected month, and whose status is Open (they have not expired, are not in review, and have not been accepted, confirmed, declined, or cancelled). The table is sorted by the first date of each proposal.

The proposing agent's name is in the first row of the proposal:

- Click the link in the agent's name in either row if you want to display his/her proposal details.
- Click the link in your name in either row if you want to display your schedule details.  
**See [Proposals view: Proposal and schedule details](#).**

To learn how to expand the table to see additional rows, see [Finding details in the grid](#).

## Accepting or declining a proposal

The screenshot shows the 'Proposals' view with a table of proposals. A callout points to the 'Accept' (checkmark) and 'Decline' (X) icons in the 'Re' column, with the text 'Click Accept or Decline.' Below the table, two dialog boxes are shown. The 'Accept' dialog box has the text 'You are about to accept the trade proposal.' and 'From agent: a0001 a0001'. The 'Decline' dialog box has the text 'You are about to decline the trade proposal.' and 'From agent: a0004 a0004'. Both dialog boxes have a 'Comments:' section with a text input field and a 'Cancel' button. The 'Decline' dialog box also has an 'OK' button. A callout points to the 'OK' button with the text 'Enter comments and click OK.' Below the dialog boxes, a callout points to a checkmark in the 'Re' column of the table, with the text 'Indicates an accepted proposal.' Another callout points to a row that has been removed from the table, with the text 'Declined proposals are removed from the list.'

OK

Indicates an accepted proposal.

Declined proposals are removed from the list.

To accept or decline a proposal in the Proposals view:

1. Click **Accept**  or **Decline**  in **Actions** column for the proposal you want to accept/decline. **The Comments dialog box opens.**
2. Enter comments, if you wish, and then click **OK**.

A check mark  appears in the **Re** column for this proposal, indicating that you've

**accepted, or the proposal is removed from the list of proposals, because you've declined.**

## Reviewing responses to proposals

Use the **My Trades** view to:

- Review trade proposals that you have sent to the community or an individual, along with their status and any responses.
- Review your responses to other agents' schedule trade proposals or community proposals.
- Review the status of proposals to which you have responded.
- Cancel a pending response, if you change your mind.
- Cancel your own pending trade proposal, if you change your mind.

The window includes standard [date selectors](#) and a table of proposals and responses, whose general controls are described in [Viewing my trades](#).

### About the Trades table

The table shows all of your trades and responses to proposals whose first date is within the selected month. It is sorted by the first date of each trade.

For each trade, the **Agent name** column shows the agent who posted each original proposal:

- Click the link in the agent's name in either row if you want to display his/her proposal or request details.
- Click the link in your name in either row if you want to display your proposal or request details.

See [My trades view: Proposal and request details](#).

## Canceling a pending response

The screenshot shows the 'My Trades' interface with a table of trades. A trade with status 'Open' and agent 'a0009 a0009' is highlighted. A circled trash icon in the 'Actions' column is labeled with a '1' and the text 'Click to cancel your response.' Below the table, a 'Comments' dialog box is open, showing the trade details and a text input field with the comment 'I've changed my mind, sorry.' The dialog box has 'Cancel' and 'OK' buttons. A circled '2' is next to the text input field, with the text 'Adding comments is optional, but can be helpful.' pointing to it.

Re	Status	Agent	Date	Paid hours	Comments/schedule

	Confirmed	a0001 a0001	12/17/16-12/17/16	04:00	Individual from a0001 to a0008

**Comments:**

You are about to cancel the trade.  
From agent: a0001 a0001  
For: 12/11/16 - 12/11/16  
Enter comments  
I've changed my mind, sorry.

Cancel OK

To cancel a pending response in the My Trades view:

1. Click **Cancel**  in **Actions** column for the trade response you want to cancel. **The Comments dialog box opens.**
2. Enter comments, if you wish, and then click **OK**.

## Viewing and changing trade statuses

The **Status** column in the **My Trades** view shows the current status of each trade proposal or response. Each proposal and response status determines the actions that you can take in the **Actions** column:

Status	What it means	Actions you can take
Open	The proposal has been offered to a specific agent or to the community, and has not yet passed into one of the other statuses listed in this table.	Click <b>Cancel</b>  if you want to cancel an open proposal.
	You have accepted this personal proposal or responded to this community proposal. Your response is now awaiting the proposing agent's decision.	Click <b>Cancel</b>  if you want to cancel your response.
Accepted	Another agent has accepted your personal proposal or responded to your community proposal.	Click <b>Accept</b>  on a response row to submit this trade (with this response) for approval. Click <b>Decline</b>  if you choose not to trade with this respondent.
	You accepted this proposal and, if required, the proposing agent approved your response. But the trade could not be auto-approved. It is awaiting a supervisor's approval.	Click <b>Cancel</b>  if you want to cancel your response.
In Review	Another agent has accepted your proposal and, if required, you have approved the response. But the trade could not be auto-approved. It is now awaiting a supervisor's approval.	Click <b>Cancel</b>  if you want to cancel your original proposal. This will also cancel the response.

See also, [More trade statuses](#). For further details about requirements for a trade's approval, see the [Trading](#) overview.

## More trade statuses

The statuses described in this table do not require any action on your part, but you will see them when you are reviewing proposals and trades.

- **Confirmed**—Both you and the other agent accepted the proposal, and the trade received either automatic or supervisor approval. Your trade has executed.
- **Declined**—The proposal/response was declined by either the proposing agent/responding agent (in the case of a personal proposal), by a supervisor, or by WFM. The trade will not take place.

- **Cancelled**—Either you explicitly cancelled your proposal/response, the other agent cancelled the original proposal, or WFM automatically cancelled the pending trade (because of changes to your schedule or the responding agent's schedule). The trade will not take place.
- **Expired**—The proposal did not receive approval by the day before its first included day. The trade will not take place.
