Your schedule opened in the My Trades view.

Scheduled items are broken down in time intervals per item.

You can delete your own proposals.

Click your name in the **Proposals** view to open **My schedule details**. If you are reviewing your trades in the **My Trades** view, in the proposal you made, click your name to open **Proposal** details.

Examining the details of your own schedule enables you to compare shifts and make a decision about whether or not to accept a proposal.

In the **Proposal details** window, there's an option to delete your proposal, but you cannot delete proposals offered by others.
