CRW: Select Activities

CRW: Select Activities

To fill in the **Select Activities** page in the **Commit/Rollback Wizard** (CRW):

1. Select any combination of **activities**.
You can select individual activities from multiple sites and multi-site activities from business units. Only activities that belong to the business unit and sites that are selected on the Object pane's Activities tree are available for selection here.
2. Click **Next** to open the **Select Agents** page.
Click Cancel if you want to close the wizard without saving or deleting pending changes.
