[Choose Agents](#)

Choose Agents

By default, the business unit, sites, teams, and agents that were selected in the **Objects** pane when you clicked the **Add Calendar Items** button are displayed and selected.

1. Change the selections, if necessary.
2. Click **Next** to continue.

Tip

If you select objects from more than one site, the **Choose Calendar Item** page displays a limited list of calendar item types: **Availability**, **Day Off**, **Time Off**, **Exceptions**, and **Working Hours**.
