IMW: Select Activities

To complete the **Select Activities** page in the Insert Multiple Wizard (IMW):

1. Select any combination of **multi-site activities** and **activities**.
You can expand business units to display their multi-site activities and sites, and expand sites to display their activities. Only objects that were selected at the last time you clicked **Get data** are available. By default, all are selected.
2. Click **Next** to apply your selections and continue, or click **Cancel** to make no changes and close the wizard.
