Options for the Master Forecast Graphs

Options for the Master Forecast Graphs

Use the **Options** dialog box to customize the display of the **Master Forecast Graphs view**:

1. Select a statistic from the **Show Statistics** drop-down list.
2. Click **Options** on the toolbar.

One of the following versions of the **Options** dialog box opens, depending on the statistic that you selected above.

- Click the link for a Help topic listed in the table. This takes you to an explanation of the options available for that statistic in the **Options** window.
