Schedule Validation

Schedule Validation

Use the **Review Messages** window to manage warning and error messages that were generated the last time the schedule was built, validated, or rebuilt.

See a complete list of Error and Warning messages in the *Workforce Management Administrator's Guide*.

Using the Review Messages Window

The **Review Messages** window contains the following controls:

Reviewed	Select the check boxes in this column to indicate messages that you have reviewed.
Site	Displays the site name.
Message	Shows the text of each generated message.
Save button	Saves your reviewed selections.
Close button	Discards all changes and closes the window.
